COVID-19 Visitor Affidavit and Release of Liability

In our efforts to ensure the safety and wellness of our patrons, performers, volunteers and staff, we want to ensure that those who enter and/or utilize our facilities understand the importance of being healthy and safe when they are on campus. Symptoms of COVID-19 can be mild to severe and can include fever, cough, fatigue, shortness of breath, and digestive symptoms (diarrhea or loss of appetite).

Symptoms may appear 2-14 days after exposure. Persons at greater risk include those over the age of 62 or those who have underlying health issues (heart disease, diabetes, respiratory issues, smokers, cancer, or weakened immune system from other underlying causes not listed here).

By signing below, I agree to the following:

1. I have not experienced any symptoms of illness including fever, cough, fatigue, shortness of breath, diarrhea, or unexplained loss of appetite in the last 14 days.
2. I have not been ill in the last 14 days.
3. No one in my immediate household have experienced any of the above symptoms or have been ill in the last 14 days.
4. I have not knowingly been exposed to anyone diagnosed with the COVID-19 virus nor currently under quarantine for the virus in the last 14 days.
5. If I should begin to feel ill while on campus, I will notify a member of venue management and immediately vacate the facility. If diagnosed with COVID-19, I will notify the Center so specific steps can be made to quarantine others that may have been affected prior to that diagnosis.
6. I release and hold harmless the Center for the Performing Arts (and its employees, volunteers, patrons, and vendors) of any and all liability if I should develop COVID-19 as I am on campus.
